

Model:
SZP-FLUO

Typology:
EPIFLUORESCENCE ATTACHMENT FOR STEREO MICROSCOPE

Description:

*Fluorescence observation for biology, industrial inspection, criminal justice, etc.
Essential tool for security printing and mineral research.*

Illumination	100W HBO high-pressure mercury vapor bulb. External power supply. Current and time counter LED displays. Average lamp lifetime: 300 hours. Input voltage: 110/240Vac, 50/60Hz, 1A ; Fuse: F8AL 250V. Maximum input power: 125W.
Stand	This system can be fixed and focussed with the following models of stand: • ST-150 • ST-151 • ST-152 • ST-153 Base dimension: 32x28 cm Pillar height: 36 cm
Optical system	Infinity corrected galilean type (for SZP heads)
Filter set	Standard: GFP-B (EX460-500, DM505, BA510-560) GFP-L (EX460-500, DM505, BA510) Optional: CFP-B (EX430-450, DM455, BA465-495) YFP-B (EX490-510, DM525, BA530-560) G (EX515-550, DM570, BA590) RFP-B (EX525-555, DM570, BA585)
Accessories	Photo/video output port. Instruction manual and dust cover included.
